Appropriate Body

Thanks to you all the schools who have welcomed us this term for the first of our quality assurance visits. We have really enjoyed meeting with and getting to know all the ECTs and Mentors that have been so generous with their time, during these sessions. This is very important and invaluable to us as your Appropriate Body. Thank You!

Progress Reviews are due on **8th April 2022**, please look out for an email from ECT Manager to advise on when this is available, usually 2 weeks before the due date.

CPD

For our colleagues in **Early Years**, you have recently been sent details of our training programme specifically for Early Years Practitioners. For more detail on what packages are available and details of how to book please click [here](#).
